it  
could  
well be  
the fury of it  
right from the start  
naïve, ecstatic, impossible  
the wave breaks  
and possibility  
joins

it  
could  
well be  
the fury of it  
right from the start  
naïve, ecstatic, impossible  
the wave breaks  
and possibility  
joins  
it

*what you would do*

**if you were it**

**while you do**

*what it would do*

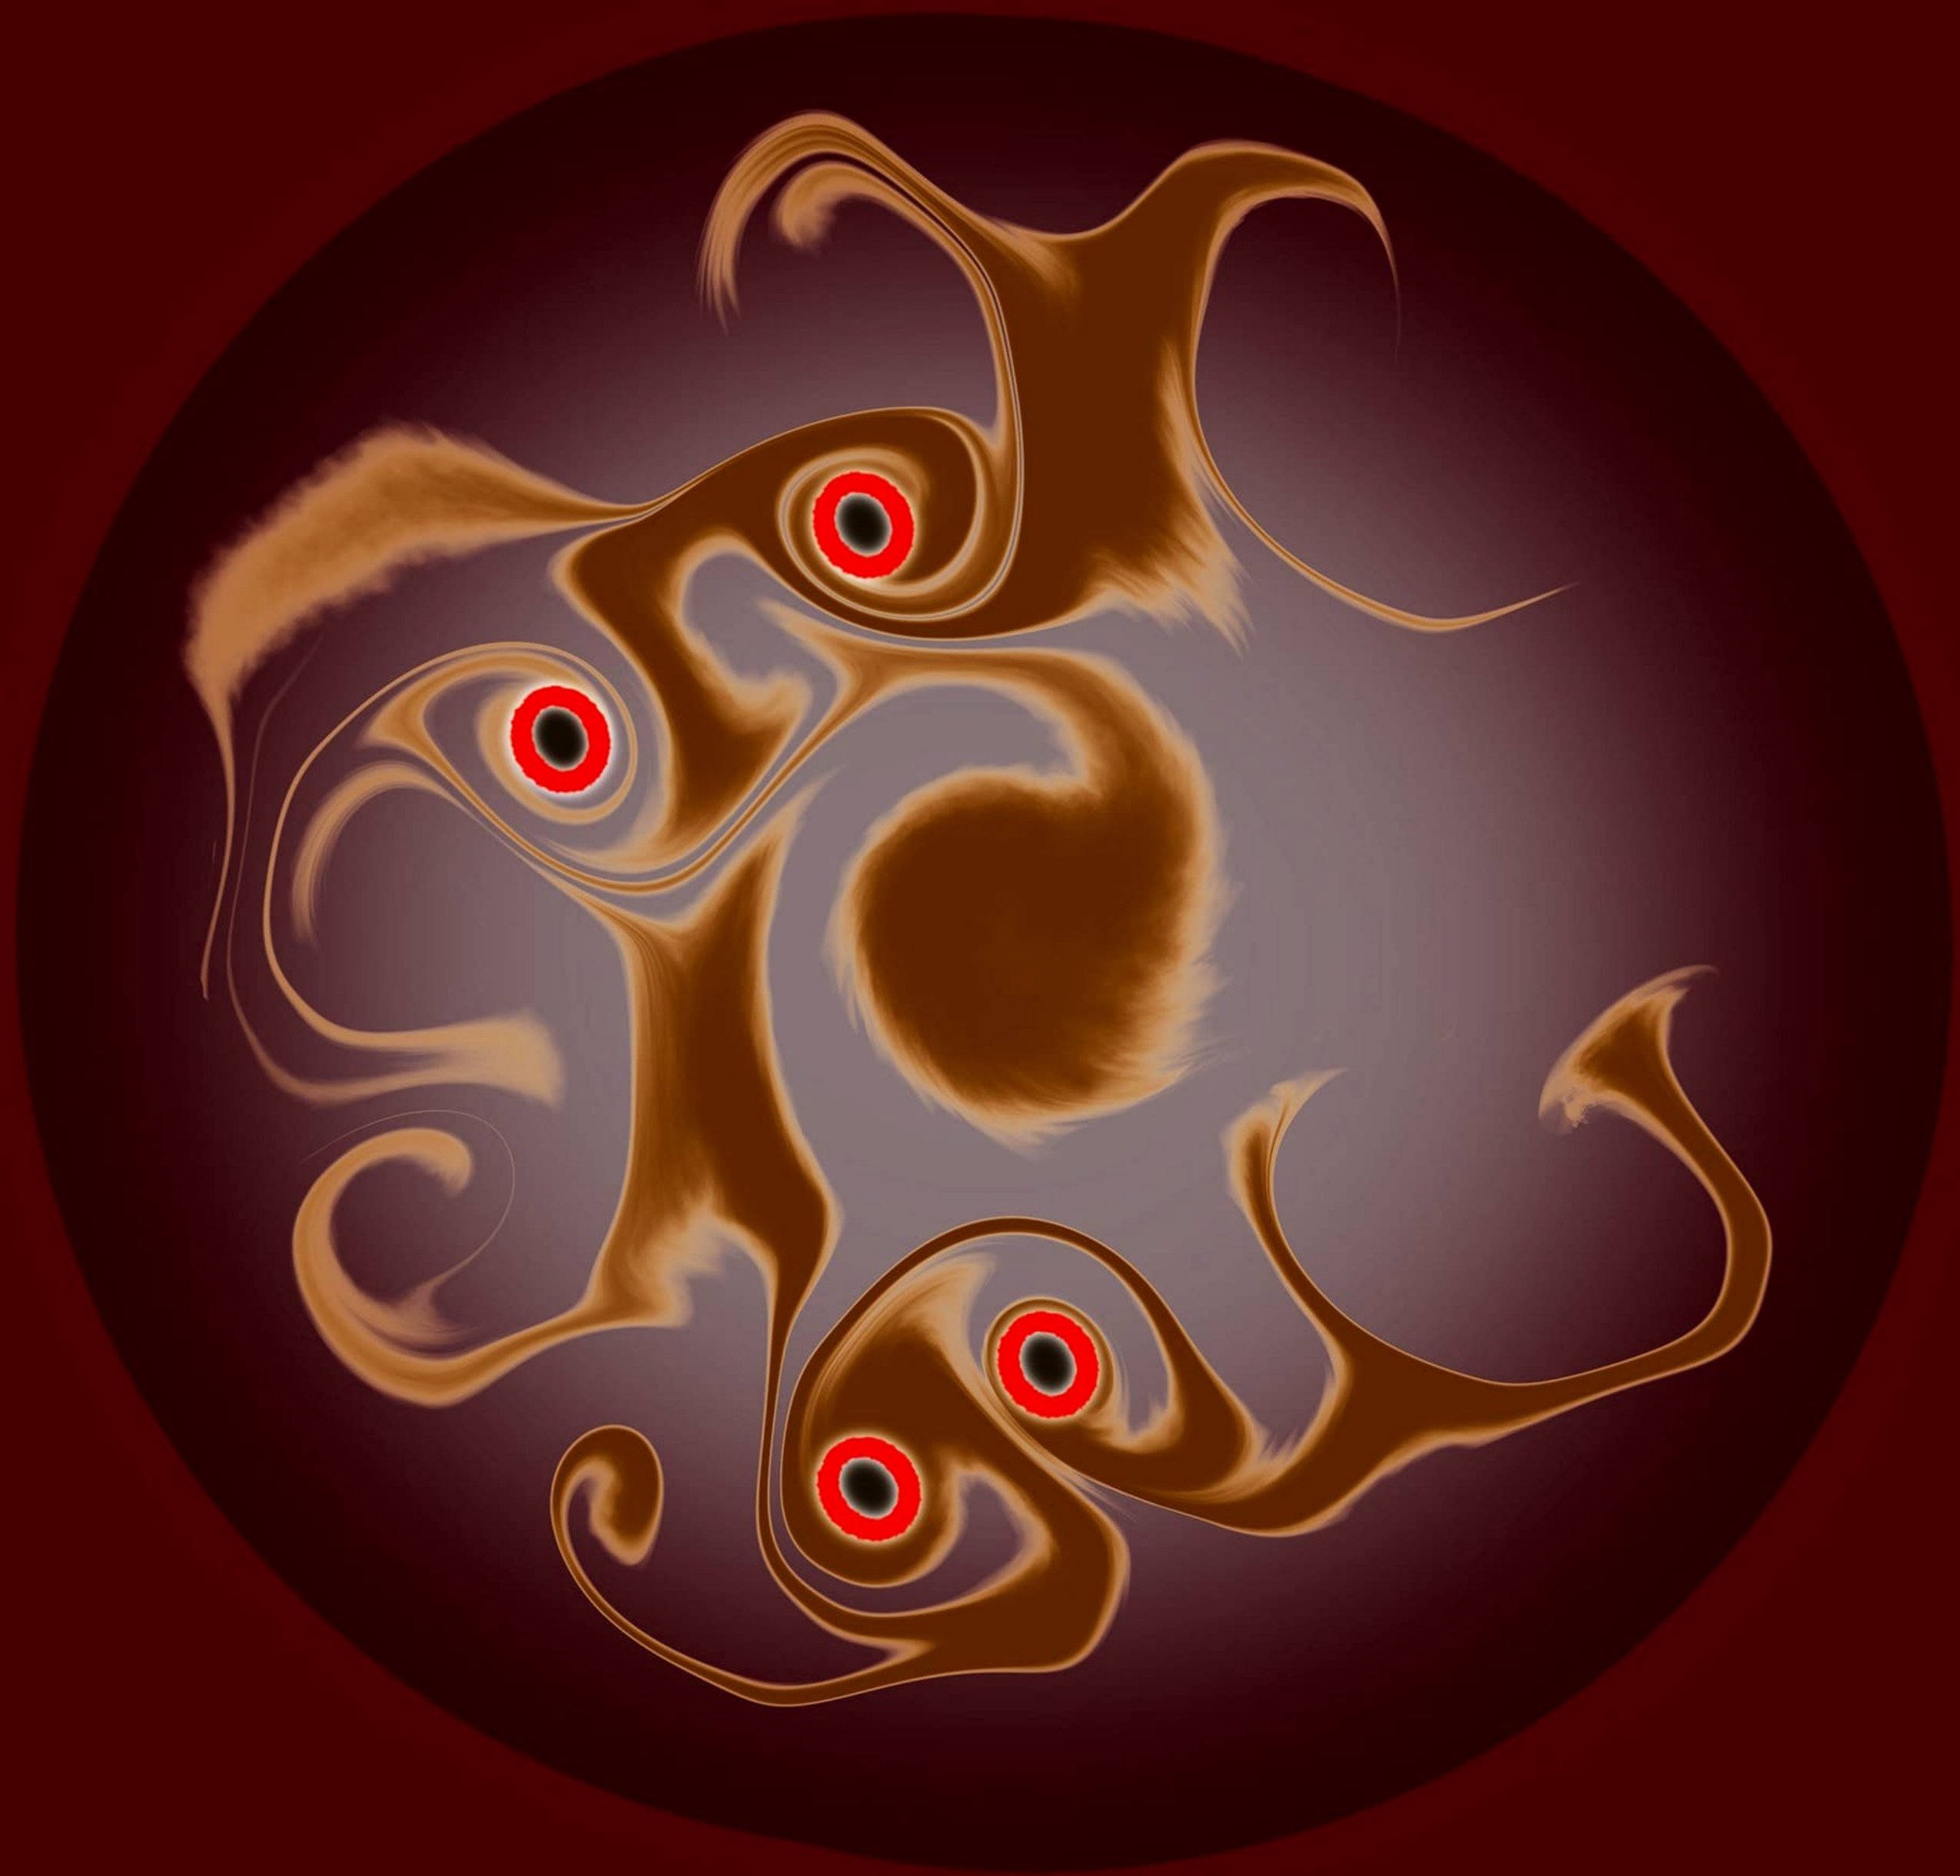

**if it were you**

Each of us  
has many eyes

Carson

Heaven was opened  
and a fiery light of  
exceeding brilliance  
came and permeated  
my whole brain and  
inflamed my whole  
heart and my whole  
breast, not like a  
burning, but like a  
warming flame, as  
the sun warms anything  
it touches.

— Hildegard of Bingen, 1141 A.D.

*We acclaim the balance  
of the perfect moment  
in ecstasy*

*while imbalance stands  
its fall ongoing  
no limit  
to despair*

*We acclaim the balance  
of the perfect moment  
of time's end  
in ecstasy*

*while imbalance stands  
its fall ongoing  
no limit  
to despair*
